Award III(3) dated 5--12--1931.

Sidiginamola. Bellary Taluk.

Chintagunta-Hagari Bridge approach road.

S. No.75, Inam dry of Sidiganamola village, covered by T.D. No.1858 measuring ac. 9-20 bearing an assessment of Rs.10--6--0 and an excess charge of Rs.2--14--0 is an unenfranchised religious service inam registered in the name of Anjaneyaswami. A portion of it bearing Temporary Sub Division S. No.75-B and forming portion of new S. No. 578 was taken up for the Chintagunta Hagari Bridge approach Road in 1927. The sub division records have been checked by the Inspecting Tahsildar. The true area of the land taken up is 0.75 acre. The land has been in the enjoyment of Karnam Hanumantha Rao and after his death, his widow, Saradamma has been enjoying it for the past three years, arranging for proper service in the temple. The lands in this village which were acquired by private negotiation were valued at Rs.80/- per acre and compensation paid in 1929. S. No.75 also has been valued at the same rate by the village officers and the Tahsildar. The valuation is reasonable and is accepted. The enjoyer also agrees to the valuation. Award is passed for Rs.69/- including 15% compensation for compulsory acquisition. As the enjoyer of the land is not competent to alienate it, the amount of compensation which represents the kudivaram interest will be deposited in the District Court under Section 31(2) of the Land Acquisition Act. Proposals will be submitted separately to the Government for the grant of beriz deduction for compensation for melvaram interest.
